

# Hospice & Community Care Pavestones

Become a part of the future of Hospice & Community Care by purchasing a custom engraved pavestone in honor or in memory of a loved one, for yourself or your organization.

For a tax-deductible gift of \$100 (6"x6"), \$250 (6"x9") or \$500 (9"x9") we will personalize your limited edition pavestone and place it in the Sanctuary Garden, the central feature within the Hospice & Community Care Campus. Purchasing a pavestone offers you the chance to place a permanent tribute to your family, special friends or commemorate a significant event or date.

Each sponsored pavestone will be a visible part of the Hospice & Community Care Campus and will help ensure the legacy of Hospice care in our community for generations to come.

To participate, simply complete this form and return to Hospice & Community Care in the attached envelope.
